

SciFinder (web version) user registration

In order for you to make use of the web based version of **SciFinder Scholar** (electronic **Chemical Abstracts**), everyone has to register themselves in the following way. Registration will have to be on the campus of the University of Pretoria (in order for the IP address of your computer to be recognized). Registration will have to be through the internet. After registration you will access and use SciFinder through the library server.

To register, please read the attached document on choosing a username and password.

1. Access

<https://scifinder.cas.org/registration/index.html?corpKey=B7402CFA-86F3-5055-6073-A2B18DE2A61E>

2. Click on "Next" and complete your particulars. (Please note that only UP e-mails will be recognized, i.e. @up.ac.za or @tuks.co.za).

3. After registration SciFinder will send you an e-mail to confirm your registration. Click on the URL provided to complete the process. You will be told that the registration is completed now.

4. Now you can access SciFinder through the library web site: <http://www.library.up.ac.za> > E-Resources > Databases A-Z > SciFinder (web version)

5. An error message will appear. You have to click on "Continue to this website (Not recommended)"
